READS for Summer Learning SMS/MMS Opt-In Form

Prepared: May 16, 2026

This READS for Summer Learning SMS/MMS Opt-In Form (the "Form") documents a parent or guardian's optional choice to receive READS for Summer Learning ("RFSL") text messages from Crudspa Foundation ("Crudspa") for a participating school district, school, or program sponsor.

This Form is for text messaging consent only. A parent or guardian may decline RFSL text messages and the student may still participate in RFSL if the student is otherwise eligible and the district's separate RFSL participation requirements are satisfied.

1. Student, School, and Parent/Guardian

School district or program sponsor: _____

School: _____

Student first and last name: _____

Teacher or homeroom: _____

Parent/guardian name: _____

Parent/guardian mobile phone number: _____

2. Text Messaging Program

Crudspa operates the RFSL text messaging service for participating school districts and program sponsors. Messages may be sent from +1 (970) 633-3045 and will identify READS for Summer Learning or Crudspa Foundation.

RFSL text messages are non-marketing program messages. They may include reading reminders, family reading tips, book and trifold completion prompts, requests to reply with photos of completed trifolds, photo receipt confirmations, and program support information.

Message frequency varies, typically 1 to 4 messages per month during the RFSL program cycle. Message and data rates may apply.

3. Optional SMS/MMS Consent Choice

Please select one option. The SMS/MMS choice below is optional and is separate from any RFSL student participation permission.

Yes. By checking this box and signing below, I agree to receive recurring READS for Summer Learning SMS/MMS text messages from Crudspa Foundation at the mobile phone number I provided above. I understand the messages may include RFSL reading reminders, family reading tips, book and trifold completion prompts, photo-reply prompts, photo receipt confirmations, and program support information. Message frequency varies, typically 1 to 4 messages per month during the RFSL program cycle. Message and data rates may apply. Reply HELP for help or STOP to opt out.

No. I do not want to receive READS for Summer Learning SMS/MMS text messages. I understand this choice does not, by itself, prevent my student from participating in READS for Summer Learning.

Consent is voluntary. Consent to receive text messages is not a condition of purchase, donation, account creation, school services, or general participation in RFSL.

4. Help, Opt Out, Privacy, and Terms

A parent or guardian may reply STOP to any RFSL text message to opt out. After an opt-out request, Crudspa may send one final confirmation message. A parent or guardian may reply HELP to request help or may contact Crudspa at support@crudspa.org.

Crudspa does not sell, rent, or trade mobile phone numbers. Crudspa does not share mobile phone numbers, SMS consent records, or text messaging originator opt-in data with third parties or affiliates for marketing or promotional purposes.

Crudspa's Privacy Policy is available at <https://crudspa.org/privacy>. Crudspa's Terms and Conditions are available at <https://crudspa.org/terms>.

5. Expected Confirmation Message

After a parent or guardian opts in, Crudspa expects to send an enrollment confirmation message substantially as follows:

Expected enrollment confirmation: "READS for Summer Learning from Crudspa Foundation: You are subscribed to recurring RFSL reading reminders and photo prompts. Msg frequency varies, typically 1-4/month. Msg&data rates may apply. Reply HELP for help or STOP to opt out."

6. Parent/Guardian Signature

By signing below, I confirm that the information on this Form is accurate and that the SMS/MMS choice marked above reflects my own choice.

Signature: _____

Printed name: _____

Date: _____

This signed Form may be collected by the participating school district, school, program sponsor, or Crudspa and retained as evidence of the parent or guardian's SMS/MMS consent choice for RFSL messaging compliance, program administration, audit, and support purposes.
